## Welcome, Forest Hero!

Hi! I'm **Blaze the Fox**, and today you'll join my team of **Forest Heroes** who protect nature and prevent wildfires. Ready? Let's go!

## Page 2 — Blaze's Safety Riddles

Solve the riddles!

1. *I help you cool a fire down. I splash, I pour, I drip around. What am I?*
2. *I am small and glowing bright. If you drop me, flames take flight. What am I?*
3. *I never rest, I never sleep, but I keep danger from creeping deep.*

(Hint: adults use me!)

## Page 3 — Connect the Dots: Blaze to Safety

Connect the numbers to draw what Blaze uses to put out fires.

- Only adults handle fire safely

## Page 7 — Blaze's Short Story Starter

Finish the story:

## Page 8 — Hidden Items Search

Blaze lost these items in the forest scene:

**Water bucket, shovel, map, radio, gloves, badge**

(If you want, I can generate the forest scene image to search through.)

## Page 9 — Fire-Safe Choices Game

Circle the best choice in each situation:

1. You see a fire burning alone:  
**Tell an adult** / Ignore it
2. You want to roast marshmallows:  
**Use a safe fire ring** / Use a pile of sticks anywhere
3. You're leaving the campsite:  
**Drown, stir, and cool the fire** / Just walk away
4. You find matches on the ground:  
**Give them to an adult** / Play with them
